

Directions:
 I 35 to Roundrock, take the 620 exit. Turn right/west at the light.
 Follow the signs leading to Mansfield Dam but you will turn before
 you get to the dam. Go past 2222, the big intersection and light
 where there is a Circle K, B-Q place and a 7-11 on the corners to
 the right, and go about one mile to the next light, Comanche Trail,
 turn right and follow the signs to Windy Point. You'll pass
 The Oasis Restaurant, Hippie Hollow and it will wind around thru
 a residential area before you get to Windy Point. Head straight in
 down the dirt trail to the wooden shack, where you can unload your
 gear into carts. Pay at the shack before you enter. I'll be up front or if
 not, look for the International Scuba banner.
